INCIDENT DESCRIPTION:

Suspicious Persons

At approximately **10h00** the ECID public safety officers were performing area checks in Epping 1 where they found 2 x african males in Gerry Ferry Crescent next to Jive, one male was asleep and the other one was busy with electrical wires. The ECID security shift leader and security liaison officer attended the scene and woke the one male and instructed him to leave. The other male was found to be in possession of tools that can be used for obtaining electrical wires illegally. He was asked to leave the area and warned not to be seen in the area.

INCIDENT DESCRIPTION:

Theft of Motor Vehicle

At approximately **11h40** while the ECID public safety officer was patrolling in Benbow Avenue he was stopped by a security officer who works at Giant Hyper, the officer informed him that a vehicle had been stolen from the general parking area outside from Giant Hyper. The ECID public safety officer informed the ECID security shift leader who spoke to the owner of the vehicle, the owner confirmed that at approximately 10h00 he locked his vehicle and went into Giant Hyper to buy stock, at approximately 11h40 when he returned to the parking area, his vehicle, a white Toyota bakkie was gone, the vehicle also contained stock previously purchased.

The ECID security shift leader assisted the complainant to contact his vehicle tracker company, who confirmed that the vehicle is been driven in Mitchells Plain.

The ECID security shift leader phoned the Pinelands Police and requested that they forward the information onto Mitchells Plain Police Station. Sgt Mgidigidi took the complainant's statement and a case of theft of a motor vehicle was opened. At approximately 13h30 the complainant informed the ECID that the vehicle has been recovered in Mitchell Plain.

INCIDENT DESCRIPTION:

Attempted Theft-Building

At approximately **02h44** the ECID security shift leader reported that he noticed someone attempting to break-in at the Chicken Factory in Gunners Circle. The ECID security shift leader approached cautiously and noticed that the suspect had a big panga and bolt cutters on him. The ECID security shift leader was able to clearly identify the suspect, he resides at the back of the informal market. Backup was called, the ECID public safety officers responded and the suspect ran away. He managed to cut off two padlocks and was close to gaining access to the store. The ECID security day shift senior will inform the owner.

INCIDENT DESCRIPTION:

Public Assistance

At approximately **20h44** while patrolling in Packer Avenue, the ECID public safety officer was approached by a gentleman working at Console who requested the ECID's assistance. One of the Console forklift drivers was trapped underneath a forklift, the officer called the ECID security shift leader for assistance, they noticed that the driver was in very bad shape. The ECID CCTV controller contacted the emergency services, the South African Paramedics responded quickly. Another forklift was used to lift the forklift off the driver.

It was alleged by the forklift driver's supervisor that the driver was driving at high speed while the forks of the forklift were up. This caused the forklift to be unstable and capsize, the driver jumped from the forklift but the forklift landed on top of him. The driver of the forklift sustained injuries to his head, chest and broken his arm. He was taken to N1 City hospital where he later succumbed to his injuries

INCIDENT DESCRIPTION

Motor Vehicle Accident

At approximately **08h00** the ECID public safety officer was patrolling at Wembley Centre, Gunners Circle when he noticed two vehicles opposite Kekkel En Kraai that were involved in an accident. The ECID Shift Senior then attended the scene and enquired if the drivers require SAPS to be called or they will go to SAPS themselves. They both agreed that they do not need the Police as they will sort out the matter themselves.

INCIDENT DESCRIPTION:

Attempted Smash & Grab

At approximately **13h30** the ECID CCTV controller noticed that traffic was moving slowly on Langa Bridge, she requested that the ECID public safety officer pay attention. On arrival the ECID public safety officer noticed an african male lying on the pavement, it was alleged that he tried to steal a bag from the vehicle owner. The ECID CCTV controller contacted Pinelands SAPS. She then spoke with Constable Mhlekwa who confirmed that they will attend to the complaint. It was alleged by the complainant that she was approaching Jakes Gerwel traffic lights when she heard a strange sound from the passenger window where an african male tried to take her bag that was on the passenger seat. She grabbed the suspect's hand together with her bag and other unknown road users came to assist and hold the suspect. At approximately 13h46 SAPS arrived on the scene and arrested the suspect.
