JUMBO CAMERA

Security Impact: LOW MED HIGH
 SLA compliant: COMPLIANT NON-COMPLIANT

Incident Description:

At **10:24:40** Camera control identified a suspicious vehicle with the bonnet open on Bofors Circle opposite 1UP, a male was standing by the driver's side door. ECID security was dispatched and confirmed that they had seen the vehicle earlier and the suspects confirmed that they were SAPS members and showed security their SAPS ID cards. Law Enforcement responded for the second time and the suspects confirmed that the vehicle was over heating. The suspect who was inside the vehicle got angry and asked the officer what they want from them as this was the second time they had approached them, and they are SAPS and know how to protect themselves. Elsie's SAPS was contacted to confirm if the suspects were indeed SAPS members, the suspects then sped off towards Viking Way, Law Enforcement and security attempted to followed them, but lost them as they were speeding.
