Incident Description:

Control identified a suspicious male loitering on the field opposite Packer Avenue and informed the ECID security. Control informed the ECID security to patrol at the garage to see if everything was in order. On the way there, the security met another three suspects and questioned them. The suspects wanted to run but the ECID security requested for backup and all units assisted him. The ECID quad bikes informed the security that the suspects were running from a security officer who caught them stealing cables. The ECID security took the suspects to Grand build premises at Packer Avenue and the security officer identified them as the suspects who were stealing cables on the premises. Control contacted the site supervisor who said he would open a case of trespassing. One suspect was arrested. The other two suspects were under age so their case is pending until Police speak to their parents.

Incident Description:

Control room identified a suspicious male pushing a Black Toyota Tazz in Good Enough Avenue and parked it in Bofors Circle opposite Reclam, with the bonnet wide open. The ECID security was dispatched to go and investigate. Control monitored the suspect exchanging the numbers plates. The ECID security approached the vehicle but didn't manage to stop it, as the vehicle drove very fast towards SA. Metal. Control dispatched backup for the ECID security, but unfortunately the vehicle got away. Elsie's SAPS were informed to trace the number plates.
