Incident Description:

At **03:30:50** ECID Security notified **Camera Control** about a white **Shoprite** truck parked across the road on **Bofors Circle** opposite **Kinghall Avenue**. The driver stated that he had almost been robbed by individuals in a white **VW Golf** that pulled in front of him with one of the vehicle occupants **pointing a firearm at the truck driver**. The driver had turned the truck and driven towards the open field but had become stuck in the sand, at which point he then got out of the truck and ran towards the rails, leaving the truck behind. The suspects took off without taking anything from the truck and drove towards **Document Warehouse**. **Camera Control** did a thorough playback of the camera footage but could not find the registration of the suspected vehicle or when the incident took place as the camera setting was on PTZ (automatic pan) at the time. **Camera Control** notified **Shoprite** officials and **Traffic Services** of the situation.
