

**WEDNESDAY 05/08/2020**

**INCIDENT DESCRIPTION:**

**Suspicious Persons**

At approximately **10:00** the ECID public safety officers were performing area checks in Epping 1 where they found two african males in Gerry Ferry Crescent, one male was asleep and the other one was busy with electrical wires.

The ECID security shift leader and security liaison officer attended the scene and woke the one male and instructed him to leave. The other male was found to be in possession of tools that can be used for obtaining electrical wires illegally. He was asked to leave the area and warned not to be seen in the area.

**SATURDAY 08/08/2020**

**INCIDENT DESCRIPTION:**

**Observation of Premises in WPP**

At approximately **19:10** the ECID public safety officer patrolling in WPP noticed that the entrance gate of a company was left open.

The ECID public safety officer contacted the manager of the company and explained the scenario. The ECID public safety officer checked the premises for any intruders or forced entry, there was none.

**SATURDAY 15/08/2020**

**INCIDENT DESCRIPTION:**

**Theft of Motor Vehicle**

At approximately **11:40** while the ECID public safety officer was patrolling in Benbow Avenue he was stopped by a security officer, the officer informed him that a vehicle had been stolen from the general parking area. The ECID public safety officer informed the ECID security shift leader who spoke to the owner of the vehicle, the owner confirmed that at approximately 10:00 he locked his vehicle and went into the company to buy stock, at approximately 11:40 when he returned to the parking area, his vehicle, a white Toyota bakkie was gone, the vehicle also contained stock previously purchased. The ECID security shift leader assisted the complainant to contact his vehicle tracker company, who confirmed that the vehicle is been driven in Mitchells Plain. The ECID security shift leader phoned the Police and requested that they forward the information onto a Police Station. The Police officer took the complainant's statement and a case of theft of a motor vehicle was opened. At approximately 13:30 the complainant informed the ECID that the vehicle has been recovered in Mitchell Plain.

**TUESDAY 18/08/2020**

**INCIDENT DESCRIPTION:**

**Attempted Theft-Building**

At approximately **02:44** the ECID security shift leader reported that he noticed someone attempting to break-in at a company in Gunners Circle. The ECID security shift leader approached cautiously and noticed that the suspect had a big panga and bolt cutters on him. The ECID security shift leader was able to clearly identify the suspect, he resides at the back of the informal market. Backup was called, the ECID public safety officers responded and the suspect ran away. He managed to cut off two padlocks and was close to gaining access to the store. The ECID security day shift senior will inform the owner.

**FRIDAY 21/08/2020**

**INCIDENT DESCRIPTION:**

**Theft Out of Motor Vehicle**

At approximately **09:12** the ECID security shift leader and CCTV controller received a call notifying them about a male suspect who was caught stealing items from inside a bakkie that was parked in front of the one of the stands at the informal market. The ECID security shift leader and ECID public safety officers responded, upon arrival they found the suspect, who is wanted by SAPS in connection with the business burglary. An ECID CCTV controller was requested to phone SAPS who responded quickly. The ECID public safety officers assisted as the suspect attempted to run away, the suspect was taken to a Police Station for further investigation.

**TUESDAY 18/08/2020**

**INCIDENT DESCRIPTION:**

**Public Assistance:**

At approximately **20:44** while patrolling in Packer Avenue, the ECID public safety officer was approached by a gentleman who requested the ECID's assistance. One of the forklift drivers was trapped underneath a forklift, the officer called the ECID security shift leader for assistance, they noticed that the driver was in very bad shape. The ECID CCTV controller contacted the emergency services, the South African Paramedics responded quickly. Another forklift was used to lift the forklift off the driver. It was alleged by the forklift driver's supervisor that the driver was driving at high speed while the forks of the forklift were up. This caused the forklift to be unstable and capsize, the driver jumped from the forklift but the forklift landed on top of him. The driver of the forklift sustained injuries to his head, chest and broken his arm. He was taken to a hospital where he later succumbed to his injuries

**SATURDAY 01/08/2020**

**INCIDENT DESCRIPTION**

**Motor Vehicle Accident**

At approximately **08:00** the ECID public safety officer was patrolling at Wembley Centre, Gunners Circle when he noticed two vehicles that were involved in an accident. The ECID Shift Senior then attended the scene and enquired if the drivers require SAPS to be called or they will go to SAPS themselves. They both agreed that they do not need the Police as they will sort out the matter themselves.

**SATURDAY 01/08/2020**

**INCIDENT DESCRIPTION:**

**Public Assistance**

At approximately **07:40**, while standing off on Gunners Circle opposite Evans Avenue on the open field, the ECID public safety officer noticed a white vehicle stuck. The officer spoke to the driver who informed him that while driving he heard his vehicle rear right wheel with a strange sound and he then pulled off and noticed that it was a puncture. The officer then assisted the gentleman to replace the wheel.

## SATURDAY 08/08/2020

### **INCIDENT DESCRIPTION:**

#### **Attempted Smash & Grab**

At approximately **13:30** an ECID CCTV controller noticed that traffic was moving slowly on Langa Bridge, she requested that the ECID public safety officer pay attention. On arrival the ECID public safety officer noticed an african male lying on the pavement, it was alleged that he tried to steal a bag from the vehicle owner. The ECID CCTV controller contacted SAPS.

It was alleged by the complainant that she was approaching Jakes Gerwel traffic lights when she heard a strange sound from the passenger window where an african male tried to take her bag that was on the passenger seat. She grabbed the suspect's hand together with her bag and other unknown road users came to assist and hold the suspect.

At approximately 13:46 SAPS arrived on the scene and arrested the suspect.

## MONDAY 03/08/2020

### **INCIDENT DESCRIPTION:**

#### **Dumping**

At **22:02** while the ECID public safety officers, the shift leader and ECID quad bike drivers were on a Matrix operation when they spotted two males with a big wheelie bin, it looked like the two guys were dumping rotten oranges and tomatoes at Gerry Ferry Crescent, at closer inspection the two perpetrators were just looking for some oranges and tomatoes they could still sell between the dumped items.

ECID security shift leader confiscated the wheelie bin. Both males are working at a shop in Gerry Ferry, the ECID security shift senior on dayshif will inform the owner of his employees action.
